

THE PLAZA PROJECT ART

The Plaza Project's Art initiative is an innovative incubator program for artists to deliver their work on a large public stage. Artists of every ilk are invited to apply for the opportunity to showcase their installation on the riverfront in the heart of downtown Chicago.

Artists selected to exhibit on the plaza will receive the following:

- Public space generating upward of 15,000 pedestrians each day during the morning and evening rush hours
- 10x10 white tent offering solely overhead protection
- Liability insurance on behalf of Two North Riverside Plaza
- Standard two-week installation window (subject to change with each installation)
- 24 hour building security camera monitoring

Artists selected to exhibit on the plaza will be required to provide the following:

- Guarantee that art on display can withstand the seasonal elements
- Transport and set-up the installation
- Proof of insurance listing Two North Riverside Plaza as Additional Insured
