MEDIA ALERT

SECOND SENSE ART EXHIBIT TO BE FEATURED AT 600 WEST CHICAGO AND ILLINOIS CENTER

Impressive Artistic Works from Visually Impaired Artists on Display

What: A curated collection of inspirational work created by visually impaired artists will be exhibited at two separate downtown Chicago locations as part of the Plaza Project's mission to share art and cultural happenings with building tenants and passersby. The artists are supported by Second Sense, an organization that provides resources to individuals who have experienced a loss in sight.

600 West Chicago and the Illinois Center invite you to experience the work of these talented artists. Artwork will be available to purchase at both locations.

When: **Monday, March 23rd through Monday, April 20th**

Where: **600 West Chicago & Illinois Center buildings at 111 E. Wacker and 233 N. Michigan Ave.**

Why: The Plaza Project's mission is to share art and culture with tenants and passersby in order to provide an enjoyable escape from the daily grind. Partnering with Second Sense allows the Plaza Project to further this mission while showcasing art created by uniquely talented individuals who have moved beyond vision loss to believe in their abilities.

About Second Sense: Second Sense inspires individuals to move beyond vision loss and believe in their abilities. Through client-centered support and training, they learn new skills, build confidence and realize their value in our community. Together we are changing society's perception of human potential.

About The Plaza Project: The Plaza Project is a creative platform established to embrace the innate designs of Two North Riverside Plaza, 600 West Chicago and the Illinois Center, showcasing curated artistic endeavors gratis for thousands of daily visitors. The outdoor, riverfront spaces offer beautiful architecture and design as a prime destination for Chicago's non-profits, corporations and individuals for various marketing and event purposes.
