FOR IMMEDIATE RELEASE

ARTS OF LIFE “TOGETHERNESS” EXHIBIT TO BE FEATURED AT 600 WEST CHICAGO

600 West Chicago Serves as Homebase for the Showcase and Sale of Impressive Works from Artists with and without Disabilities.

CHICAGO (August, 2015) –Starting August 13th, 600 West Chicago will house a unique art exhibit with a powerful mission. The *Togetherness* exhibition will serve as the debut of a diverse collection of inspirational works created by local artists living with and without disabilities. This initiative is brought to 600 West Chicago by Groupon and CBRE and falls in alliance with the Plaza Project’s mission of bringing art and cultural happenings to building tenants and local community members.

All of the pieces included in the display come from Chicago’s own Arts of Life studio and will be available for sale. Arts of life brings together people both with and without developmental disabilities to use art as a means for reaching their full potential. The *Togetherness* exhibit is inspired by the support and donations Arts of Life receives from community members hailing from all walks of life.

On August 13th from 11 am – 1 pm community members are invited to join the artists for an opening reception where they will have the opportunity to get a first look at the exhibit, purchase pieces and learn more about the works directly from the artists.

Togetherness will run from August 13th – September 15th. For more information please visit www.theplazaproject.org.

About the Plaza Project

The Plaza Project is a creative platform established to embrace the innate designs of Two North Riverside Plaza, 600 West Chicago and the Illinois Center, showcasing curated artistic endeavors gratis for thousands of daily visitors. Situated along the historic Chicago River, 600 West Chicago provides the perfect combination of an upscale neighborhood located within a central business district and offers beautiful architecture and design as a prime destination for Chicago’s non-profits, corporations and individuals for various marketing and event purposes. For more information please visit www.theplazaproject.org.
